I spoke to Lora Werner today..... looks like Bob is out on Monday but both her and Karl are in and they each have some familiarity with the data as well. They will be ready to consult with us..... Thanks, den.

Subject: Dimock Web Page

below is the web page address. I will upload the data to this page. Feel free to upload any other information you find important or relevant. I understand that Dennis and Jerry will get together on Monday and decide when we will want to talk.
